GASTRONOMIA

Strawberry Ice Cream Mochi

Strawberry mochi dessert for fresh, fruity sweetness

The premium ice cream mochi is a delicate, melt-in-your-mouth creation originating from Japanese gastronomy in the 10th century.

Enjoyed as a refined, refreshing dessert, mochi is trending in the Canadian food scene. Its creamy strawberry ice cream is enveloped in a thin, soft and delicious rice dough. Strawberry puree brings out the fruit's vibrant sweetness. No artificial colours or flavours.

SHELF LIFE 24 months

ORIGIN USA

FROZEN -18°C / 0°F

GTIN CODE 00841161083866

Ready to serve. Instructions:
Serve straight from the freezer.
