Fluffy Unsweetened Crepes - 5.5" / 14 cm

A ready-to-fill crepe for breakfast / brunch or as a dessert ingredient

Fluffy crêpes have a particularly gourmet look, with a delicious golden colour and a pretty marbled pattern, defined for foodservice professionals.

Slightly thicker than traditional crêpes, fluffy crêpes are also smaller and have a particularly soft, melt-in-the-mouth texture.

Serve at room temperature, plain, topped with chocolate, jam, maple syrup or savoury ingredients.
